

**Amendments to the Abstract:**

Please amend the abstract which follows the claims of the application as follows:

**Abstract:**

An atmosphere modifying device package for prolonging the storage life of produce is disclosed. ~~The package comprises a gas permeable container and an atmosphere modifying device contained within the container. The atmosphere modifying device comprises a carbon dioxide emitter, an oxygen scavenger, and an optional ethylene scavenger. Produce is stored in the container with the device.~~ The device is adapted for placement in a produce container to prolong produce storage life. The device ~~is and container are~~ suitable to use in a consumer's home (e.g., kitchen cabinet or refrigerator).
